

THE RODRIGUEZES

Greetings from Panama!

We would like to wish you a Merry Christmas and a Happy New Year.

Last year was a year full of blessings. We finished the year with a medical clinic. We are grateful for our friend Ryan Jones and Manna Worldwide, he brought a group of doctors, dentists, and nurses in December. We were able to have a medical clinic and at the same time share the gospel. Many people were blessed during that week not only physically but also spiritually.

Thank you to the churches who sponsor our feeding centers...Manna Worldwide, New Life Baptist Church and Quest Church. We are grateful for the support for our centers. We can reach children and families not only helping them physically but also spiritually. We were able to have a Christmas party for the kids and their families...food, presents, jumpy houses, face painting, etc. We also were able to share the gospel!

We are planning for this year's activities. We are in our summer months here in Panama. Soon we will be having our children's vacation Bible school. Please pray for children to come and for God to work in their hearts.

We are praying and raising money to buy another vehicle for our church. God is providing. If you would like to give towards this need, mark the memo "Church Vehicle". Please pray for God's guidance and provision for the vehicle.

We also need to build three new classrooms to our property. We have churches already lined up to come work in May, June, and July. Praise Him we are excited to be moving forward with this project soon. If you would like to come work or give towards the construction, please write in the memo "Construction".

We are excited to see what God has for us in 2023. Thank you for your faithful prayers and support. If you would like more information on what is going on here in Chiriquí, Panama, please feel free to write us at panama4jesus@yahoo.com or contact us on social media...
